

Good Shepherd Fairview Home Visitation Fact Sheet

- Visitors and residents must comply with Social distancing, hand hygiene, and wear disposable face masks at all times. All masks must be discarded upon exiting the grounds.
- Close contact between a resident and visitor will be dependent upon the full vaccination status of the resident.
- Visitors must be screened prior to the visit, including temperature checks.
- **If the CMS positivity rate is >5%, visitors may opt to schedule an appointment with the facility to receive a Rapid Antigen test free of charge. Hours of testing are Monday-Friday 11a.m.-3 p.m. Facility is required to report all results to the NYS DOH.**
- In-room visitation is limited for residents residing in a shared room. In-room visits can be allowed as long as all reasonable infection control practices are followed and it is not reasonable to have the visit elsewhere on premises.
- Visitation will be allowed inside in a well-ventilated space that will accommodate appropriate social distancing per NYS DOH guidelines. Outdoor visits will commence once weather is appropriate for our residents and families to be outside.
- Visits are by appointment only and are limited to 30 minutes.
- Visitors must be 18 years of age. Any visitor under the age of 16 must be accompanied by an adult 18 years of age or older.
- Documentation on visitors first and last name, address, phone, and e-mail is required.

Hand Hygiene: Whether you use soap and water or hand sanitizer, rub your hands together for at least 20 seconds.

Use hand sanitizer if soap and water are unavailable

1. Apply the recommended amount of gel to the palm of one hand.
2. Cover all surfaces of the hands and fingers.
3. Rub the hands together for **approximately 20 seconds**.

Proper way to wear mask

Wear a mask that covers your nose and mouth to help protect others in case you're infected with COVID-19 but don't have symptoms

- Wear a mask in public settings when around people who don't live in your household, especially when it may be difficult for you to stay six feet apart
- Wear a mask correctly for maximum protection
- **Don't** put the mask around your neck or up on your forehead
- **Don't** put the mask below your nose or chin.
- **Don't** touch the mask, and, if you do, wash your hands or use hand sanitizer to disinfect

I have read and understand the Visitation Fact sheet and agree to comply with all visitation protocols per NYS DOH guidelines and facility practices.
