Good Shepherd Communities Team,

I would like to say thank you to President/CEO Mike Keenan for taking time out of your busy schedule to take my phone call on Thursday. It was nice to touch base with you and to say thank you to you and your staff for all that you are doing. Your staff is on the front lines of the COVID-19 fight and I want them to know how much I and the community appreciate them for their commitment to the residents at Good Shepherd Fairview Home, Good Shepherd Village at Endwell and Chase Memorial Nursing Home and Rehab. The residents are our families, friends, and neighbors, thank you for caring for them and know you are making a difference. Your selfless work during this time shows your compassion and bravery and you deserve our unending gratitude.

As your representative, I am fighting tooth and nail to get our communities the resources we need to fight back against COVID-19. That means working with federal, state, and local governments to try and get everyone the equipment they need to stay safe. If you have any questions or concerns, please call my office.

Sincerely,

A handwritten signature in cursive script that reads "Anthony Brindisi".
