

Good Shepherd Fairview Home Visitation Fact Sheet

- Visitors and residents must comply with Social distancing, hand hygiene, and wear disposable face masks at all times. All masks must be discarded upon exiting the grounds.
- Visitors must be screened prior to the visit, including temperature checks.
- **Visitors for SNF residents only must have a negative COVID-19 test within the last 7 days from the scheduled visit.**
- Good Shepherd will not permit any in room visitation unless resident is receiving end of life care in skilled nursing or a skilled nursing resident is bedbound and it is unsafe to transport the resident to the designated visiting area. (This will be on a limited basis only in conjunction with virtual visits)
- All visitation will take place outdoors, weather permitting. Only under certain limited circumstances will visitation be allowed inside in a well-ventilated space with no more than 10 individuals who are appropriately socially distanced and wearing facemask. (i.e. inclement weather at the time of a scheduled visit, outdoor temperatures less than 50 degrees).
- At no time shall the total number of visitors exceed 10% of the in-house resident census.
- Visits are by appointment only and are limited to 30 minutes.
- Visitors must be 18 years of age or accompanied by an adult 18 years of age or older.
- Documentation on visitors name, address, phone, and e-mail is required.

Good Shepherd Fairview Home Visitation Fact Sheet

- Good Shepherd reserves the right to refuse any visitor who refuses to be compliant with any aspect of the visitation guidelines or is under the influence, disruptive or presents a danger to any resident or staff.
- **Visits are Monday through Friday scheduled by appointment only. Monday-Wednesday-Friday 2-3p.m.and 4p.m. – 6p.m. Tuesday-Thursday 10a.m. – 12 p.m.**
- **Please call 607-724-2477 Ask for Department of Social Work in SNF and the Case Manager in Assisted Living to schedule visitation**

❖ **In the event of any staff and/or resident cases of Covid-19 at the facility, visitation will be suspended until further notice.**

Hand Hygiene: Whether you use soap and water or hand sanitizer, rub your hands together for at least **20 seconds**.

Use hand sanitizer if soap and water are unavailable

1. Apply the recommended amount of gel to the palm of one hand.
2. Cover all surfaces of the hands and fingers.
3. Rub the hands together for **approximately 20 seconds**.

Proper way to wear mask

Wear a mask that covers your nose and mouth to help protect others in case you're infected with COVID-19 but don't have symptoms

- Wear a mask in public settings when around people who don't live in your household, especially when it may be difficult for you to stay six feet apart
- Wear a mask correctly for maximum protection
- **Don't** put the mask around your neck or up on your forehead
- **Don't** put the mask below your nose or chin.
- **Don't** touch the mask, and, if you do, wash your hands or use hand sanitizer to disinfect

I have read and understand the Visitation Fact sheet and agree to comply with all visitation protocols per NYS DOH guidelines and facility practices.
